

deMania Trio

" On Demania, the trio delivers masterful, confident improvisations that float in an environment as energetic as it is luxurious and spacious."

--Acoustic Guitar Magazine

*"...a jaw-dropping performance mixing warmth, humor, inventiveness and monster chops.
...Each member of the group is a master...a musician's musician."*

--San Jose Mercury News

"Extreme musical diversity underscores the improvised, unexpected arrangements of deMania...Their influences range from ethnic folk to traditional jazz and classical."

---The Denver Post

"Like Fleck and Corea, you'll find a lot of doubling on rhythmically complex melodies and plenty of solos for each. For anyone interested in World music styles this is a great recording that is very well written and played."

---Fingerstyle Guitar Magazine

"...they merge their non-traditional instrumentation with an unrivaled degree of technical prowess and a diverse fusion of genre...sensitive sonic textures, complex harmonic structures, lyrical melodies, intricate rhythmic figures, and odd meter grooves"

--InstituteofBass.com

"Masterful artistry and finesse reigns supreme throughout..."
